Ernie Flota's Pointer Hunting Dog Also Good At Retrieving Snakes

WILDLIFE DEPT.: Ernie P. Flota, well-known sportsman and wildlife conservationist, has been telling an unusual story regarding a pointer hunting dog which he has used for the past two years and for which he had developed an unusual fondness.

Flota's prowess in the field of quail hunting is almost legendary in these parts. He is a great marksman and a master at handling hunting dogs in the field.

But—he doesn't like snakes.

His aversion to the reptile family has long been known among his close friends, but only recently did it come to light in a manner in which the general public had the opportunity of sharing and sympathizing with him along with his friends regarding this problem.

This, in substance at least, is the story related by Mr. Flota. It seems that while visiting an oil field on his White County farm, where he maintains a kennel of hunting dogs, he released his dogs for exercise.

To his great surprise and consternation he noted that this particular fine pointer retrieved a large snake and came back with it to Mr. Flota, presumably expecting him to take the snake just like he would take birds during the hunting season.

After recovering from his first shock of seeing the dog come right up to him with the snake from a vantage point at the peak of an oil tank platform, Mr. Flota noticed that the dog placed the snake at the foot of the stairs leading up to the platform where he was standing, then departed.

Pretty soon the dog returned with another snake.

Flota said it is not unusual for a dog to kill a snake, but that it is quite unusual for one to bring a snake up to a person.

Rumor further has it that Mr. Flota has started in worrying early about the prospects of what the dog will bring up next hunting season.

Murray State Choir To Present Concert At HTHS Friday Morning

Speaker Here Advises 'Grass Roots' Campaign

Outlines Successful

Du Quoin Drive to Local Civic Groups

Steps in a successful campaign to get industry to locate in Du Quoin were outlined by a member of the Du Quoin committee at Monday's meeting of the Harrisburg Rotary club. Representatives of the Lions and Kiwanis clubs also were present.

Kenneth Cook, Du Quoin banker and an active member in the successful campaign, spoke at length to the civic club members and declared that the only successful campaign had to be at the "grass roots" level. "Everyone must be included in the action," he said.

A few years ago the Du Quoin Business association was formed, Cook said, and it was successful in getting the Forest City Products company, already in Du Quoin, to expand its operation. Then the civic group did "lots of talking, but there was practically no action," he said.

Not long ago the group became active again and the city also decided to participate in the area services program offered by Southern Illinois university.

With two groups working, things began to happen and soon money was received in sufficient amount to build a factory shell building. There was more than \$57,000 in the building in actual money and more in donated labor and land.

In February of this year contact was made with the P. R. Mallory company, an electronics firm with AAA rating in Dun and Bradstreet. After considerable negotiations the Mallory company decided to locate in Du Quoin and has purchased the building from the civic association, paying the full \$57,000 investment.

The manufacturer completed the building and is making plans to expand to almost double the floor space of 20,000 square feet.

The company went into production the first week in April, with one section operating and another line was to begin operation this week.

The company has announced it will employ 400 persons, 40 percent to be men employees. Also expected to be men employees, connected in supervisory capacities with the plant, are moving to Du Quoin.

"We are happy with the result. It was accomplished by concerted effort of all the citizens of Du Quoin. Be willing to work and raise money to invest in your community, and look for industry that also is willing to invest in the community, not one that wants outright gifts," Cook said in closing.

Reduce Sentence Of Prison Woodcarver

SPRINGFIELD—The sentence of Donald Vikre, the woodcarver of Stateville Prison, has been reduced from 30 to 27 years, Gov. William G. Stratton's office reported today.

Vikre was sentenced from Lake County Circuit Court in 1947 for his part in the holdup slaying of Anthony Rudiatus, a Waukegan tavern keeper.

The reduced sentence will make Vikre eligible for parole next month.

Vikre created the scale model of New Salem Village shown at the Illinois State Fair last year.

Dulles, Congress Leaders Discuss Use of Troops

Eisenhower to Deliver Major Address April 21

Will Speak at

Meeting of Nation's Newspaper Editors

AUGUSTA, Ga. — President Eisenhower, deeply concerned by tinder-box conditions in the Middle East, today scheduled a major foreign policy speech to the nation from Washington April 21.

The President will speak at an evening banquet of the American Society of Newspaper Editors at the Statler Hotel.

Mr. Eisenhower has finished one draft of the speech and a new draft worked over by his foreign policy and speech advisers in Washington was scheduled to reach here today by special aerial courier. He will work on refinements of the text during his golfing vacation at the Augusta National Golf course.

The President's appearance before the ASNE was in response to an invitation by Kenneth MacDonaid, society president, and president of the Des Moines Register and Tribune.

Press Secretary James C. Hagerty said "It will be a major address on foreign policy." Rarely does Hagerty use the word "major" in advance description of a presidential utterance.

Presumably the President's ASNE speech will be carried transcontinentally by television and radio and overseas by shortwave radio outlets.

Hagerty said Mr. Eisenhower discussed the outlines of the speech over last weekend with Secretary of State John Foster Dulles.

Dulles and the President teamed up Monday in a new warning to the war-torn Middle East that the United States, within constitutional limits and the findings of the United Nations, will oppose "any aggression in the area."

Because the Middle East is the current international powder keg, the situation around the shores of the Mediterranean was certain to dominate the President's report to the editors and to the nation.

The President, who arrived here by plane Monday from Washington, was expected to remain in Augusta until next Monday at least. He must be back in Washington by next Tuesday afternoon for the opening baseball game between the Washington Senators and the New York Yankees.

Re-Elect Officers of Medical Foundation

Officers of the board of directors of the Harrisburg Medical Foundation, operating the Lightner hospital, were re-elected at the board's annual meeting Monday afternoon. Dr. W. D. Tuttle is president, Dr. B. E. Montgomery is vice-president, Mrs. Margaret Pruett Hart is secretary, Phillips Nyberg, business manager of the hospital, and Curtis G. Small are the other members of the board of directors.

The foundation is a non-profit organization which operates the hospital. Physicians and surgeons of Harrisburg and surrounding communities are members of the staff of the hospital under regulations prescribed for hospital operation. The office of Dr. W. D. Tuttle is in the hospital. His services as well as those of other doctors is on an individual basis with patients.

It was pointed out at the board meeting Monday that, partially due to the shortage of physicians in the Harrisburg area, and partly as a matter of service to the community, an arrangement has been made whereby a doctor is on call at the hospital at all times. This is for emergency cases, and not for persons who may have had chronic illness.

Kiwanis Chili Supper Tonight

Members of the Kiwanis club will serve a chili supper to the public from 5 to 9 p. m. today at the Masonic temple.

Club members will be on hand to serve as waiters and to work "KP" duty during the supper hours. Tickets may be purchased at the door by those who have not already bought them from club members.

The club is hoping for good patronage by the public as the funds raised will be used for youth activities, especially the summer baseball program sponsored by the Kiwanis club for boys of the community.

Miss Avah Phillips Awarded Certificate Of Merit in National Scholarship Program

More than 4,300 top notch high school seniors from every state in the nation have just been awarded Certificates of Merit by the National Merit Scholarship Corporation. These students are all estimated to be in the top one half of one per cent in ability of all high school seniors.

Included in the group was Miss Avah Phillips, daughter of Mr. and Mrs. Brose Phillips, a senior at Harrisburg Township high school.

The NMSC has been conducting a nationwide hunt for students best able to benefit from a college education. Certificate of Merit winners have been chosen for their excellent showing in the search, which covered hundreds of thousands of students in the 10,338 high schools that entered the competition. No other students were listed from Saline county. In fact there were only five others from southern Illinois—two each from Mt. Vernon and Centralia and one from Carbondale.

The names of the Certificate winners are being circulated among colleges, universities, and other scholarship granting agencies in the United States. This list of talented students is the most comprehensive ever distributed in this country.

The 4,300, and an even smaller group now being carefully appraised as scholarship winners, were screened from 60,000 seniors, nominated by their high school principals to take the first NMSC test last October, when more than one million dollars in scholarships was announced as available.

Since then 16 leading U. S. corporations have joined in the Merit Scholarship program, adding a million dollars to the total. This million dollars has been matched by the NMSC so that 3 million dollars worth of scholarships are now available for the coming school year.

Stevenson Faces Kefauver Write-In Threat in Illinois Primary Today

CHICAGO — A light vote was reported throughout Illinois today as voters in the presidential primary decided whether to launch native son Adlai Stevenson's bandwagon with a vote of confidence.

Rain and dreary weather plagued much of the state.

Stevenson, former Illinois governor, was officially unopposed on the Democratic ballot, but supporters of Sen. Estes Kefauver were hoping for a sizable write-in vote. In a last minute appeal Stevenson called the Illinois primary the "most important referendum" he will enter in seeking the nomination.

About two million voters had been expected to cast ballots, but voting was reported "very light" in many sections.

Light Vote in Chicago

In Chicago, election commissioners said most of the interest was in Democratic Party contests in the normally Democratic city, but only about 40 per cent of the registered vote was expected to turn out.

It had been raining over most of southern Illinois since early morning.

There was little doubt about the outcome of the Republican contest. President Eisenhower faces token opposition from Sen. William Knowland (R-Calif.), who would have got out of the race if he had the chance, and perennial campaigner Lar Daly.

On the state level, Republican Gov. William G. Stratton is in a brisk fight with four opponents led by state Treasurer Warren E. Wright. There is a two-way fight for the Democratic gubernatorial nomination, but Republican Sen. Everett M. Dirksen and Democrat Richard Stengel are unopposed for the senatorial spots on the ballot.

The Democratic presidential race is complicated by write-in drive for both Kefauver and Ohio's Gov. Frank Lausche. The Kefauver camp denies it is making an organized drive for votes, but hopes to collect 10 per cent of the total.

Stevenson aides countered that the Kefauverites have conducted "an intensive telephone campaign" for their man. Stevenson said a 10 per cent write-in would not hurt him, but he feared the Tennesseean might roll up a "substantial" vote.

Appeals for Support

Stevenson, badly beaten by Kefauver in his first primary campaign in Minnesota, asked Illinois Democrats Monday night not to let him down on his home grounds. "The whole nation will be watching to see how Illinois feels about its son," he said in television

Miss Avah Phillips

The Merit Scholar Program is thus the largest private scholarship program in American history.

Each of the scholarships to be awarded on this year's program will have an average total value to student and college of \$6,000 and will cover all four years of college.

Actually, the amount of each scholarship will be based on need of the student, and will range from nominal amount to full tuition plus full cost-of-living expenses.

In addition, the college a Merit Scholar attends will receive a grant equal to tuition, providing the two together do not exceed \$1500 per year. This is to make sure the colleges do not lose money in educating a Merit Scholar, and is a normal part of each award.

Scholarship winners will be announced on or about May 1.

speech. "I have a feeling that I am part of Illinois and I have confidence that I shall have your approbation."

He reviewed his one-term record as Illinois' governor from 1948 to 1952 and said he is "proud of what was done during those difficult years."

In closing he said, "The primary in Illinois means a great deal to me. It is the most important referendum in which I shall participate."

Death Takes Mrs. Richard Rose, 85; Funeral Thursday

Mrs. Florence Rose, 85, widow of Richard Rose, died today at 4:30 a. m. at the Lightner hospital where she was taken Sunday morning. For several months she had resided with her daughter, Mrs. Earl (Violet) Hicks, 1114 South Leford.

Her husband preceded her in death 16 years ago.

The body will lie in state at the Gibbons funeral home until funeral time which is Thursday at 2 p. m. at the McKinley Avenue Baptist church. Rev. J. D. McCarty, church pastor, assisted by Rev. George Dougherty of Carrier Mills, will officiate and burial will be in Sunset Hill cemetery.

She leaves the following children: Blufford Rose, Eldorado, Elvis Rose, Stonefort, and Mrs. Hicks of Harrisburg; 19 grandchildren and 27 great-grandchildren. One son, James Elbert Rose, died in 1940.

Emphasize No Request for Authority Now

Conference Follows Eisenhower Warning To Mid-East Nations

WASHINGTON — Secretary of State John Foster Dulles and 14 congressional leaders today discussed the question of congressional authority to use American troops, if necessary, to keep peace in the Middle East.

But the leaders emphasized that the administration did not request such authority at this time. They said there appears to be no immediate emergency requiring congressional action now.

Dulles and the leaders discussed the rising tension in the Middle East at a 90-minute conference at the State Department. Dulles called the meeting with the express approval of President Eisenhower.

The conference followed a formal warning by Mr. Eisenhower Monday night that the United States will "support and assist" any victim of aggression in the Middle East. It also came as the President scheduled what the White House described as a "major" foreign policy speech on the Middle East for April 21.

House Republican Leader Joseph W. Martin Jr. (Mass.) said there is "no particular pressing emergency could come up at a time when 'nations are shaking their fists at one another.'"

Martin said Mr. Eisenhower intends to request congressional action "in danger" arises. But, he said, there is no reason to expect such a request at this time.

Sen. Styles Bridges (R-NH) said Dulles was "asked if he was proposing any congressional action now and the answer was no." Senate Republican Leader William F. Knowland (Calif.) likewise emphasized that "no request was made for any congressional action."

Speaker Sam Rayburn (Tex.) the first to leave said only: "The secretary had us down to brief us on the Middle East situation. That is all."

He steadfastly refused to answer any questions.

The rush conference, specifically approved by the President, got underway only hours after Mr. Eisenhower issued a formal warning that the United States would "support and assist" any victim of aggression in the Middle East.

Vote Here Higher Than in 1952

Despite rain and chilling cold, this morning's vote in Harrisburg township was running higher than for the same period in 1952, when the same offices were up for nominations.

With the rain falling, the early morning vote was off, but between 10 and 10:30, when the rain stopped, voting picked up and was better than four years ago, when a little less than 7,500 went to the polls in the county.

A survey made around noon showed that 2,076 had voted in the 12 Harrisburg precincts, compared with 1,793 votes for the similar period in 1952.

Here is the way the Harrisburg township precincts were running compared with the figures received in the noon survey four years ago:

Precinct	1956	1952

"EACH ONE BRING ONE" is the slogan of the American Cancer Society's effort to have all women in this country see its life-saving film, "Breast Self-Examination." These women in Sacramento, Calif., are among 5,000,000 who have seen that film since its release five years ago. It teaches a simple method by which women can examine their breasts monthly and thus call to their doctor's attention any irregularity in contour or size. Doctors estimate that twice the 11,000 lives now being saved annually could be saved by early detection of breast cancer in its curable stage. The film will be shown by the Saline County chapter of the Cancer Society free to all women at the Orpheum theatre on April 11.

Taxpayers Group Opposes Federal Aid for Schools

SPRINGFIELD — The Taxpayers' Federation of Illinois today took a dim view of both proposals for federal aid for school construction now before Congress. State taxpayers would pay more into the federal Treasury than the state would receive under either plan, the federation said.

Under one plan, according to federation figures, Illinois taxpayers would pay \$111,200,000 over four years and the state could claim only \$81,104,000 in federal aid.

Under the other proposal, approved by President Eisenhower, taxpayers would pay in \$86,875,000 over five years and state aid claims could total only \$42,285,000 in the same period, the federation said.

Thinking It Over

By Robert Dieffenbacher, D. D. Written for NEA Service

Tipping is an American custom that is receiving a great deal of attention. Columnists, magazine writers and public speakers are decrying this token payment for service rendered. The trouble with the custom is that the gratuity is ceasing to be a "token payment." The tip has become practically a demand payment for almost "no service."

Whether we like the custom or not, we still leave our 15 per cent on the restaurant table and still pay the haterack girl a quarter. We do not want the scowl from the waiter or a crushed hat at the checkroom.

Although we have come to expect little service for the gratuities we pay under pressure, we expect to receive untold spiritual service for the price of a porter's tip. Peace of mind and spiritual benefits ought to inspire real gifts of talents and worldly goods.

The price of a dinner or the cost of a good movie is not enough for a gratuity to God's work.

It may be that many people fail to benefit from the church because they invest so little in the program of religion.

Let us hope that the Sunday schools of America will give our children more value than the small change we give to our children to place in their offering plates.

Hoover Says Reds Plan Counsel to Undermine Laws

WASHINGTON — FBI Director J. Edgar Hoover said today he has "factual data" on Red plans to enlist "eminent counsel" in efforts to undermine anti-Communist laws.

Hoover said it was the "factual data, predicated upon information from within the Communist Party itself," that he presented to a controversial closed session of the House Appropriations Committee.

He made the statements in a letter to the National Lawyers Guild, which had protested his remarks before the committee. The Justice Department is seeking to have the guild listed as a Communist-front organization.

In his testimony, the FBI chief said American Reds propose "during the coming year to tactically exploit the Geneva four-power conference with a background effort to defeat the Internal Security Act of 1950, the Smith Act, and other anti-Communist legislation."

DISCOVER THE DIFFERENCE IN DODGE!

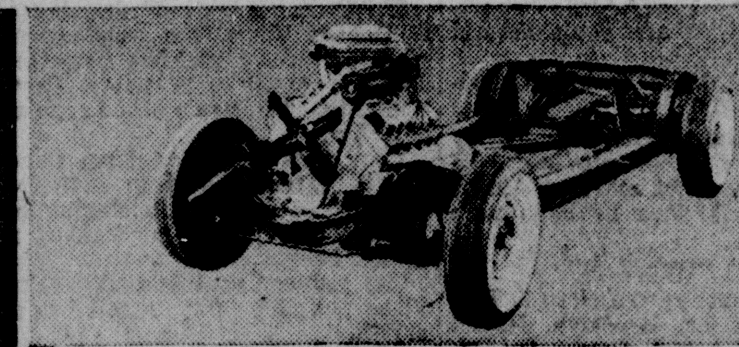

This isn't just "big" talk. Dodge actually is bigger all around—up to 7.7 inches longer than cars in its own field, 14.5 inches longer than cars in the "low price" field. Dodge is bigger inside, too. More legroom front and rear! More hiproom front and rear! Dodge gives you plenty of room to relax in comfort.

Dodge push-button PowerFlite makes every other way of driving old-fashioned. It's mechanically perfect—the easiest, safest, surest way of driving ever developed. Just touch a button and go!

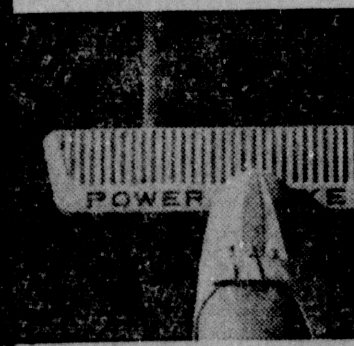

Dodge is powered for today's driving! Aircraft-type 260 hp. V-8 engine develops tremendous break-away power!

Solid—that's the way Dodge builds 'em! From the frame right on up, Dodge is engineered to take the roughest punishment. EXAMPLE: Box-section side rails provide greater strength and ruggedness than common I-beam or U-channel type used in most other car frames. Crossmembers are extra heavy. Here's solid dependability.

Who says parking isn't fun? Dodge power steering does 80% of the work, takes fewer turns of the wheel than other cars.

You can stop on a dime—with Dodge power brakes. Front wheel brakes have two cylinders, two anchors for positive, predictable stops.

It's America's performance champion! No other car has ever given such proof of superior performance. In a 14-day run at Bonneville, Dodge outclassed American stock cars and European sports cars both—shattered 306 AAA records in all, including 27 world records.

Mitsdarffers Return Home From Colorado

Mr. and Mrs. Louis Mitsdarffer have returned from Estes Park, Colo., after having left here last June, and are again at their home on East Poplar street. This is the first entire winter they have spent in the Rockies, and although spring weather appeared at intervals, they report the most severe winter in years, with lots of snow and temperature as low as 26 below. A mild snow storm was in progress when they departed.

They remained longer than usual in order to make improvements at their new home in Estes, where they lived most of the time since leaving here, and at their ranch nearby. Also, to enjoy the winter sports in the Park, which they found equally as interesting as the summer activities, especially the skiing at Hidden Valley, where the new lift was recently installed.

They are active members of "Operation Winter Wonderland," a new organization which was formed to promote winter sports in the Estes area. As many as 5000 individuals visit Hidden Valley almost every week-end to enjoy the skiing. This has boosted winter business for merchants, as well as for motels and dude ranches.

In the fall, Mr. and Mrs. Mitsdarffer, along with three other Illinois couples, were guests of the noted big game hunter, Scott Hayes, owner of the Harmony Dude Ranch, near Estes, on a successful antelope hunt out of Douglas, Wyo.

They will be in Harrisburg several months, after which they will spend the summer and fall on their Thad Ranch, near Estes Park.

Mrs. C. N. Trout of Eldorado and Mrs. W. A. Plumlee of this city attended an all day meeting at the Emerson hotel in Mt. Vernon Saturday. A school of instruction was held for recorders of the Royal Neighbors of America. Miss Mary Cusic was instructress. Fifty eight recorders and three deputies were present. Luncheon was served at the noon hour.

Mr. and Mrs. Kenneth Berry returned home Thursday from St. Louis, Mo., where Mr. Berry spent a week at the Barnes hospital undergoing a medical checkup. He suffered a heart attack January 26 and was glad to find that he was improving.

Cottage Grove Home Bureau Meets With Mrs. Ralph Billman

The Cottage Grove Home Bureau unit met Wednesday, April 4, at the home of Mrs. Ralph Billman for the regular business meeting. The chairman, Mrs. Billman, called the meeting to order and a roll call was answered by seven members telling "a good feature about my neighborhood." Minutes were read and approved.

The health chairman, Mrs. L. A. Berry, gave a report on "Cancer and Hodgkins Disease." The Craft club meeting was postponed until further notice.

During the business session a family night was planned for April 21 at 7 p. m. at the home of Mr. and Mrs. Dan Ludlow. Mrs. Billman gave an interesting minor lesson on "Courtesies in the Home."

The hostess served refreshments to the following: Mrs. Mabel Alvey, Mrs. L. A. Berry, Mrs. Eugene Lamkin, Mrs. J. C. Miller, Mrs. Willie Robinson, Mrs. Raymond Vineyard, a visitor, Mrs. Bob Hancock, Misses Sidney and Beck Hancock and Ginny and Carol Berry.

The hostess entertained the group by showing colored slides. The next meeting will be at the home of Mrs. Berry.

Mrs. Maxine Belt Hostess To Buena Vista Unit

The Buena Vista Home Bureau unit met Friday, April 6, at the home of Mrs. Maxine Belt.

In the absence of the chairman, the meeting was called to order by the vice chairman, Mrs. Belt. Roll call was answered with "a good feature about my neighborhood."

The major topics, "Drapes for Your Windows," and "Curtains for Your Windows," were given by Mrs. Mildred Smith, Mrs. Lois Buchanan and Mrs. Julia Mae Dunn.

After the business meeting an auction was held and refreshments were served to the following: Mrs. Leah Travelstead, Mrs. Mary Shell, Mrs. Barbara McConnell, Mrs. Nell Denny, Mrs. Lula Hughes, Mrs. Lois Buchanan, Mrs. Bea Stafford, Mrs. Julia Mae Dunn, Mrs. Ruth Pickford, and Mrs. Mildred Smith who received the door prize. Visitors were Misses Cathy McConnell, Susa Jane Stafford and Wanda and Janet Lea Belt.

Mrs. Carrie Swinney had visiting her Friday through Monday her brother and sister-in-law, Mr. and Mrs. Ben Hodges of East Alton. Mrs. J. A. Musgraves was a Sunday dinner guest.

Child Dies of Burns

PEORIA, Ill. 17—Two-year-old Deline Marie Wagner, Secor, died at Methodist hospital Monday from burns she received when her clothing caught fire at her home. The child was the daughter of Mr. and Mrs. Victor Wagner, Secor. Her clothing was ignited Saturday when her mother left the family living room for a few moments. The girl apparently had attempted to roast marshmallows in an open fireplace, police said.

Latest estimates indicate North Dakota has 52,943 farms with central station electric service, or 84.4 per cent of the farms in the state.

Ronnie George Presents Program on Portraits At Woman's Club Meeting

The Harrisburg Woman's club met yesterday afternoon in the club room of the public library.

Mrs. L. B. Kimmel presided over the meeting which opened with the song, "When You Were a Tulip," directed by Mrs. D. H. Hiller accompanied at the piano by Miss Frances Cummins. The Pledge of Allegiance was led by Mrs. E. B. Webster.

Minutes of the previous meeting were read by Mrs. Dan Ludlow, secretary, and the treasurer's report was given by Mrs. E. Bishop Hill who substituted for Mrs. Hudson Mudge. Mrs. C. E. Wing, first vice president elect, was selected as alternate delegate to attend the state convention in Chicago May 8, 9, 10. Mrs. Hill, president elect, is delegate.

Mrs. J. A. Bottomley passed out pamphlets concerning the school tax bill and urged the members to vote that it be passed.

Mrs. L. I. Webb, program chairman, presented Mrs. Herman Davis who sang "If Christ Came Back" accompanied by Miss Cummins. A lovely meditation on "Portraits of Great Women" was given by Mrs. Floyd Lacy who talked on women who have lived great lives, among them Betsy Ross, Carrie Nation, Fannie Crosby, Joan of Arc, Helen Keller, Deborah of the Bible, and Sister Kenny.

Mrs. Davis then sang "If as Much as Ye did it to One of These, Ye Did it Unto Me."

Mrs. Webb introduced Ronnie Doerge of Ronnie's Studio who talked on "Portraits in the Home." He showed a colorful film entitled "M-Day for the Spencers" followed by an interesting question and answer discussion period.

Hostesses were Mrs. T. R. McCormick, Mrs. Charles McKenzie and Mrs. M. P. McDonald.

Amoma Class Meets With Mrs. Virginia Tate

The Amoma Sunday school class of the Galatia Baptist church held its social at the home of Mrs. Virginia Tate April 6.

The devotion was participated in by all those present studying and discussing the eighth and ninth chapters of St. Matthew.

Games were played and prizes won by Irene Maple, Norma Jean Smith, Vesta Gaither and Loma Allen.

Refreshments were served by the hostess, Mrs. Virginia Tate, to the following present: Mrs. Loma Allen, Mrs. Vesta Gaither, Mrs. Norma Jean Smith and Mrs. Irene Maple.

The next class social will be at the home of Mrs. Rosellen Garrett.

There will be a coffee and rummage sale at the Methodist church in Carrier Mills Wednesday beginning at 8 a. m.

Crumbling Foundations Of House Crush Boy
GALENA, Ill. - The foundations of an abandoned house caved in on a 7-year-old boy Monday, crushing him to death.
The boy, Dennis Schmid, was playing in the basement of the old house with his sister, Patricia, 6, and his brother, David, 5. The children said Dennis dislodged a rock in the base of the foundation and huge chunks of rock and concrete tumbled in on him.

Crumbling Foundations Of House Crush Boy
GALENA, Ill. - The foundations of an abandoned house caved in on a 7-year-old boy Monday, crushing him to death.
The boy, Dennis Schmid, was playing in the basement of the old house with his sister, Patricia, 6, and his brother, David, 5. The children said Dennis dislodged a rock in the base of the foundation and huge chunks of rock and concrete tumbled in on him.

VALGENE GIBBONS PROMOTED TO FIRST LIEUTENANT

The promotion of Lt. Valgene Gibbons to the rank of First Lieutenant has been announced. The promotion was effective April 2.

Lt. Gibbons is stationed with A Battery, 443d AAA, near Weisbaden, Germany. He is the battery executive officer.

Lt. and Mrs. Gibbons have been in Germany about a year. She is the former Miss Ann Wilson, daughter of Mr. and Mrs. Charles Wilson. Lt. Gibbons is the son of Mr. and Mrs. Jesse Gibbons.

Pvt. Richard Hundley, 18, son of Mr. and Mrs. Paul Hundley, Shawneetown, is scheduled to leave the U. S. for Germany next month as part of Operation Gyroscope, the Army's unit rotation plan. His unit, the 3d Armored Division, now stationed at Fort Knox, Ky., will replace the 4th Infantry Division in Europe. Hundley is a driver in Headquarters Battery of the division's 54th Field Artillery Battalion. A 1955 graduate of Shawneetown Community high school, he entered the Army in June of last year.

William Charles Parks has finished his naval boot training at Great Lakes and is home on furlough. He will return Friday to Great Lakes for school in the U. S. Naval Hospital Corps.

Rainier's Refusal to Dance With Taller Bride to Turn Pre-Wedding Party Into Flop

MONTE CARLO (AP)—Prince Rainier III's bashfulness about dancing in public with his slightly taller bride threatened today to turn a fabulous pre-wedding party for them into a flop.

The 33-year-old ruler got stage fright when he discovered he was expected to open the dancing at the \$100,000 party Monte Carlo is staging for them April 15.

Prince Rainier, very shy and acutely aware that Grace Kelly is a trifle taller than he, thought about waltzing with the beautiful actress while the rest of the guests watched.

Nothing doing, he said. And since he is absolute ruler here, what he says goes. It is royal protocol at the sporting club putting on the party that if the sovereign does not open the dancing, no one dances.

It means a sit-down party for the 240 guests, the cream of those invited to the wedding from five continents.

It never occurred to the club that Prince Rainier might refuse, so it had arranged for four bands to produce all types of dance music from Viennese waltzes to mambo and jive.

The beats of Stan Rubin and his Tigertown Five from the United States easily might tempt American guests if they were not aware of the protocol restriction, so the club is going to obstruct the floor with potted plants.

MOBILE, Ala. (AP)—A grand jury today investigated the death of the mother of a 49-year-old waitress accused of poisoning six members of her family to collect several thousand dollars in insurance.

Mrs. Rhonda Belle Martin, a stocky red-haired woman, held without bond, has admitted poisoning three young daughters and one former husband since the late 1930s, police said.

The Mobile County Grand Jury Monday began its investigation of the death of Mrs. Martin's mother, Mrs. Mary Frances Gibbons, who died here in 1944.

Congress Approves Bill To Boost Pay of Youths In Six Months Training

WASHINGTON (AP)—Congress Monday approved a bill to boost the pay of pre-draft age youths who sign up for the new six months active duty reserve training program.

The bill raises their pay from \$50 to \$78 a month while on active duty. The bill was sent to the White House.

Administration Seeks Revamped Farm Measure

WASHINGTON (AP)—The administration will seek congressional approval of a compromise that would boost this year's support prices for wheat and corn less than half as much as the pending farm bill, GOP sources said today.

The compromise will be offered to the House Wednesday in a last-minute effort to revamp the administration-opposed farm bill. It appeared to have less than a 50-50 chance of winning approval.

"We're willing to compromise,

Miss Carla Stuby
Elected to FHA Office

school in this section. Mary Jane Gibbons served as Harrisburg's voting delegate.

Other officers of Section III are: Vice-president, Mary Storkman, Alledale; secretary, Joyce Forman, Mount Vernon; treasurer, Jacqueline Piper, Cism; parliamentarian, Ina Nattier, McLeansboro; historian, Ritha Teegarden, Equality; projects chairman, Barbara Dunkel, Mount Carmel; public relations chairman, Pauletta Drone, Ridgeway; and recreation chairman, Thelma Smith, Albion.

Carla will attend the State Leadership training conference, July 23-27, at East Bay Camp, Lake Bloomington.

Mrs. Louise Cothran and Mrs. Stella Harris, chapter advisers; Mrs. Leo Fowler and Mrs. J. O. Hall, chapter mothers, accompanied these 34 girls to the rally: Frances Brown, Dorrice Butterworth, Phyllis Chenoweth, Mary Jane Gibbons, Marilyn Gwaltney, Betty Hayes, Camilla Mattingly, Margie Partain, Guylene Yates, Helen Brantley, Rita Blackman, Marilyn Day, Sandra Duke, Nancy Davis, Shelby Fritch, Linda Gee, Myrna Gee, Janet Hall, Helen Henning, Judy A. Hicks, Earlene Wilkins, Donna Wise, Treva Kay Humphrey, Carolyn Endsley, Linda O'Neal, Sarah Watkins, Wilma Hamby, Darlene Jarrell, June Fowler, Karen Skaggs, Dorothy Smith, Judy Lane, Martha Gibbs, and Miss Stuby.

Phyllis Chenoweth and Dorrice Butterworth modeled their garments they made in home economics in the Fashion Flash style show Saturday afternoon.

Janet Hall, with four other girls, will attend the National F. H. A. convention which will be held in Chicago, June 2-9.

Another event for the girls will be the S. I. U. Hospitality Day April 21. Twenty-five girls from the HTHS FHA will go to Carbondale with the Carrier Mills F. H. A. chapter. The home economics students of SIU will hold a tea and a luncheon. They also will present a style show of garments they made such as formal, suits, and wedding gowns.

but we're not willing to surrender," Republican House Leader Joseph W. Martin Jr. told newsmen.

Although Martin declined to discuss the compromise before presenting it to a closed-door meeting of all House Republicans late today, informed sources said it would:

What Plan Would Do

1. Boost minimum price supports for basic crops this year to either 82 1-2 or 85 per cent of modernized parity. This would be in lieu of the rigid 90 per cent of "dual parity" provided by the bill.

2. Knock out of the bill all provisions for two-price plans. The bill as now written would make a two-price plan mandatory for rice this year and next year and would require launching of a similar system for wheat, if approved by a grower referendum.

Unless the Republican move to revamp the election-year farm bill succeeds, Martin said, he is "reasonably sure" President Eisenhower would veto it.

He said he believed that Mr. Eisenhower then would keep Congress here until we get a good farm bill" or would call Congress back after it adjourns "like Harry Truman did in 1948." Martin was one of the congressional leaders who conferred with the President Monday on the bill.

Woman Begins One-Year Sentence for Traffic Death of Physician

LOS ANGELES (AP)—Mrs. Faye E. Walker, 55, today began a one-year sentence in county jail for the traffic death of an Illinois physician.

Mrs. Walker had pleaded guilty to manslaughter in the death of Dr. Frank Greider, 65, of Decatur, Ill., last Dec. 19. Superior Judge Herbert V. Walker Monday passed the jail sentence and also placed the woman on two year's probation following her release.

Texas Eastern helps put the "heartbeat" in a Hamilton

TEXAS EASTERN SERVES THE COMPANIES THAT SERVE YOU

Natural gas-fired strip furnaces are used to maintain temperatures of 2,000 degrees to temper the hairsprings and mainsprings of Hamilton watches. Natural gas is supplied the Hamilton plant at Lancaster, Pennsylvania, through the Lancaster County Division, United Gas Improvement Company, which is supplied gas by Manufacturers Light and Heat Company, a customer of Texas Eastern.

Texas Eastern transports *natural gas* which is used by the Hamilton Watch Company to heat-treat every metal part of its watches — down to the tiniest screw. The hairspring of a watch is finer than a human hair — yet, due to modern metallurgy and heat-treating methods, this delicate piece of steel may last a lifetime. Natural gas is used in heat-treating processes because it is clean... economical... and temperatures can be exactly controlled. To make an abundant supply of this modern fuel available to thousands of homes and industries Texas Eastern transports more than one and a quarter billion cubic feet of natural gas a day through its 5100 mile pipeline system.

SHREVEPORT LOUISIANA

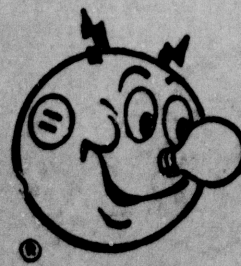

natural gas PIPELINES oil products

Texas Eastern's natural gas pipelines serve the Midwestern, Appalachian and Eastern areas. Soon the Company's oil product pipelines will transport refined oils and liquefied petroleum products from the Gulf Coast to Midwestern markets.

Modern family minus electricity

What would you do without low-price electricity in your home? Well — you could use candles. And build fires. And substitute elbow-grease for all the jobs electricity does automatically. If you did, you would be reminded quickly — and forcefully — how much electricity does for so little cost.

Electricity is the biggest bargain in your family budget. What else gives you such value in comfort, health, ease and fun? Your life in the future will be more exciting and interesting because of the work being done today. Keeping "Reddy" high in usefulness, and your lowest cost servant is our main job.

Robin Roberts Stops Red Sox, 2-1; Holds Ted Williams Hitless in Four Attempts

By United Press
Robin Roberts is ready and rarin' to go for his seventh straight 20-game season.

The pale 29-year pride of the Phillies, who has been hammered like an ordinary humpty during past exhibition seasons but certainly not this one, turned in his best performance of the spring in stopping the hard-hitting Red Sox, 2-1, at Montgomery, Ala., Monday.

Roberts, who is aiming at "only" 20 victories this year but is quite likely to overshoot that mark, ticked off three noteworthy accomplishments in limiting Boston to six hits.

Holds Ted Hitless

First, he became the first Phillies pitcher to go nine innings this spring, which figured. Second, he didn't walk a single batter which is more or less par for him. And third, he hung the "collar" on Ted Williams in four trips, which is something of a trick for any pitcher.

Rookie Pat Scantlebury, who may turn out to be Birdie Tebbets' fourth regular starting pitcher, and Joe Black limited Washington to four scattered hits in leading Cincinnati to a 7-1 triumph at Chattanooga, Tenn.

Ned Garver, on and off the trading block all spring, yielded only one hit in the six innings he worked as Detroit defeated New Orleans of the Southern Assn. 10-0, at New Orleans.

Del Crandall Stars

Del Crandall lashed out four hits and Hank Aaron three in leading Milwaukee to an 8-4 triumph over

the world champion Dodgers at Louisville.

Young Herb Score and veteran Bob Feller teamed up to pitch Cleveland to a 6-4 decision over the Giants at Shreveport, La. The victory gave the Indians a 10-7 edge in the spring series between the two teams with two more games to go.

Rain cut heavily into the rest of the exhibition schedule. The games it washed out were the Yankees vs. Houston at Houston, Tex.; the White Sox vs. the Cardinals at Oklahoma City, Okla.; Kansas City vs. Pittsburgh at Wichita, Kans., and the Orioles vs. the Cubs at Beaumont, Tex.

Eastern Illinois Fans Take Dim View Of Supersectionals

DANVILLE, Ill. — Eastern Illinois prep basketball fans today were on record with an extremely dim view of the "supersectionals" and eight-team Illinois high school basketball championship finals.

Danville Commercial News sports editor Harold Judy said an eight-day poll of sports fans conducted by the newspaper turned up 1,332 votes for the old "Sweet Sixteen" championship finals, compared to 13 votes for the new arrangement.

The Illinois High School Assn. placed the "supersectional" play-offs at eight locations around the state and the eight-team finals at Huff Gym in Champaign in use this year, and said it was well satisfied with the arrangement.

Norris City Defeats Ridgway Nine, 6-3

In a high school baseball game played at Ridgway Monday afternoon the visiting Norris City team took a 6-3 decision.

Johnson started on the mound for Norris City and retired 13 batters via the strikeout route. Great-house also saw mound action and had one strikeout. Haddock was the NC catcher.

Mills pitched and Roark caught for Ridgway. Mills racked up seven strikeouts.

Norris City scored two in the first, lone tallies in the second and fourth innings and two more in the fifth. Ridgway rallied for three runs in the sixth.

Ridgway is scheduled to play at Carrier Mills Thursday.

Babe Zaharias Develops New Pain

GALVESTON, Tex. — Babe Zaharias was resting well at John Seay Hospital today after a new pain in her left side caused her husband to say the famed woman athlete was "not in good condition."

George Zaharias, the Babe's husband, said she developed a new pain Sunday which begins in her left shoulder and goes down her left side.

New tests and X rays have been made of the affected area, but no results have been announced yet, Zaharias said.

Mrs. Zaharias, who is fighting for her life in a battle with cancer, has had major surgery for the disease twice in the past two years. She never completely recovered from her last bout with the disease.

Convict Files Million Dollar Damage Suit

PEORIA —A convict at Joliet State Penitentiary has filed a million dollar damage suit in Federal Court charging violation of his civil rights.

Joseph Ortega, 40, charged that both Sidney R. Olsen, clerk of the Cook County Criminal Court, and Roy P. Hull, a Peoria attorney, approved and certified a trial transcript that was "fraudulent."

Ortega is suing each man for \$500,000.

THE BIG ONE THAT DID NOT GET AWAY—Wilson Pankey of Harrisburg is shown with a 41-pound drum fish he caught in Myaka river at Sarasota, Fla. The fish was caught with a shrimp on a 12-pound line and a light pole. It took an hour and a half for Mr. Pankey, of the Pankey bakery here, to bring the big fish to gaff and into the boat. Nelson Pankey and J. R. Metcalf of this city were in the boat at the time and kept the anchor ropes out of the fish's way when he ventured close to the boat ends. This is the largest fish of its kind caught there this winter on light tackle and the fishing camp proprietor weighed and measured it and entered it for a prize. Each winter about \$8,000 is divided among those who are lucky to get the big ones.

Looking at Sports

BY BILL MELTON

Arm trouble has sidetracked Don Stout's professional baseball ambitions.

Stout, who has played lots of high school and semi-pro ball in this area, left several weeks ago to report to the St. Louis Cardinal farm training camp at Albany, Ga.

He has returned to Harrisburg to rest his pitching arm and at a later date may report back to the Card camp.

Stout stated that just a few days ago during a training session he had pitched for quite a spell and his arm felt fine. Then he took a turn in the batting cage and his arm cooled off. When he returned to hurling he tried a curve pitch and the muscles in his right arm snapped out of place.

A trainer recommended he come back to Harrisburg and give the arm complete rest for a month or six weeks, then return for another examination. Right now Stout doesn't know if he will make another try at the professional ranks or not.

Advice for Worm-Dunkers

Anchoring a boat in the middle of a lake and tossing a baited hook overboard is definitely not the best way to fill your stringer, according to The Sporting Goods Dealer, business magazine published in St. Louis.

The magazine advises that anglers instead idle around the edge of the lake, looking for drop-offs, sunken logs, rocks, weed beds and other obstructions that furnish protection and food for fish, working all promising areas patiently and then moving on.

Wonder if any of the local fishermen are catching any "big ones"? With fishing in full swing have been hearing stories about some "whoppers" being caught over around Crab Orchard and Little Grassy Lakes, but haven't heard even a rumor about a big one getting away from local fishing spots.

If anyone has a tall tale to tell, or a big fish to show, let this department know.

Carrier Mills and Eldorado are scheduled to visit Taylor Field this week to meet the RTHS Bull Dogs in a couple of athletic events.

If this was fall or winter it would be safe to predict a near capacity crowd would be in attendance — but it's spring and it is safe to predict that the participants will out number the spectators.

This afternoon Harrisburg is host to Carrier Mills in a baseball game. Wednesday Harrisburg will host Eldorado in a track meet.

Every spring I "wonder out loud" why baseball and track fail as spectator sports. This spring is no different. Still wondering!

Track is just getting started, but several high school teams have been in action and Eldorado tracksters have posted the best records in two events. Watson's 4:50.3 mile and Lovellette's 50-3 shot are tops for this early in the season.

National League umpires, according to The Sporting News, get no salary for working exhibition games in the spring. But they don't starve. They are paid their traveling expenses and \$20 a day for meals, room and incidentals.

There's one thing that Frank Lane, the Cardinals' general manager, can't take, and that's watching a batter called out on strikes. The Sporting News says Lane had an angry crack in a recent exhibi-

tion game when he saw one of his Redbirds look at a third strike with men on base. "I didn't think," he said, "that they permitted spectators on the field."

Washington is doing very well with its promotion campaign, says The Sporting News. The Senators already have more than 200,000 tickets sold. They played to only 425,000 customers all of last season.

A SLICE OF HOLLYWOOD LIFE!

President Asks Action on Career Service Bills

WASHINGTON — President Eisenhower appealed to Congress today for speedy action on a series of long-pending administration bills to make military careers more attractive.

Mr. Eisenhower said the new legislation is urgently needed to "stop the wasteful losses" of manpower resulting from the low reenlistment rates of the armed forces.

He said the personnel situation in the services is "serious" and

"we cannot move too soon in our efforts to increase the number and quality of volunteers for long-term military career service."

The President's plea was made in letters sent to Vice President Richard M. Nixon and Speaker Sam Rayburn from the vacation White House at Augusta, Ga.

Mrs. Eisenhower also forwarded a long letter from Defense Secretary Charles E. Wilson outlining in detail the difficulties the military is having in attracting and holding

able young officers and men.

Wilson said the military pay increase, which Congress voted last year, has had a "stimulating effect" on reenlistment rates. But he warned that further incentives are necessary to check the "high personnel turnover" in all of the services.

He specifically urged: Prompt Senate passage of the survivors' benefits bill, already approved by the House. It brings servicemen under the social security

old age and survivors insurance system, and offers other improved benefits for servicemen's widows.

Senate action on the House-approved bill to assure government paid medical care for dependents of all military personnel.

Action by both houses on legislation to raise ceilings on regular officer personnel, so that thousands of reserve officers may be given the more desirable regular status.

Enactment of new career incentives for medical and dental officers and nurses, who are leaving

the services at "an alarming rate."

Legislation to authorize a partial refund of rental allowances to servicemen whose families are quartered on "substandard" housing on military bases.

Extension of the law, now due to expire Dec. 31, which permits officers to retire at the highest "temporary" rank which they have reached, rather than having to revert to their usually lower permanent rank.

The first opera advertised by title on American soil was given in Charleston, S. C., in Feb. 1735.

Police Arrest Youth for Kidnaping Girl from School

DECATUR, Ill. — A teenage "rowdy" and the girl he kidnaped at knife point from a high school corridor were found early today at the home of the boy's brother-in-law here.

The girl was unharmed.

Police arrested the youth, Jerry Burcham, 18, and held him for

questioning, and released the girl to her parents. She also was scheduled for questioning.

The kidnaping precipitated a state-wide search for the pair. Police said the girl told them she was not molested.

Police Lt. R. J. Doyle said the pair was found at the home of Colbert Walters, 24, the boy's brother-in-law, who also was held for questioning.

Police said Jerry Burcham, 18, abducted his screaming, blonde girl friend, 15-year-old Shirley Ann Giberson, in the Decatur High School at 1:30 p. m. Monday.

Nine Corn Belt states account for 71 per cent of the nation's hog population. Six southern states have 12 per cent, while the remaining 17 per cent is spread over the other 33 states.
